

ENTRY-LEVEL ARCHITECTURAL DESIGNERS

Seeking architectural designers with 0-5 years of experience.

Required Qualifications

- Degree in Architecture or Interior Design
- 0-5 years of experience (USA)
- Must be fluent in Revit and AutoCAD
- Graphic presentation skills with knowledge of Photoshop, Illustrator, InDesign, and SketchUp is preferred
- Familiarity with the design process, including the preparation of Construction Documents
- Flexibility to work on a variety of project types
- Ability to work on multiple projects in various stages of development
- Ability to work both independently and collaboratively with teams
- Excellent listening, verbal, and written communication skills; excels at quickly communicating design ideas and direction
- Ability to work with various sized project teams, including outside consultants and engineers
- Strong communication and client relationship management skills
- Ability to work in our office located in Annapolis, MD; this is not a remote work position

Responsibilities include:

- Perform and collaborate on all phases of design assignments, including programming, conceptual design, schematic design, design development, space planning, construction documentation, and construction administration
- Assist with the development of design concepts, and provide graphic and visualization tools for client presentations
- Actively participate in client design reviews and presentations
- Research manufacturers, and participate in the selection and presentation of building materials, fixtures, equipment, finishes, color palettes, artwork and lighting
- Prepare floor plans, building elevations and sections, interior elevations and details, reflected ceiling plans, millwork design and drawings, interior layouts, finish plans, and schedules
- Assist in the construction administration phase of projects, and review of submittals, finish samples, sketches, and shop drawings
- Collaborate with consultants, engineers, interior designers, and the architectural team

Immense Growth Opportunity

Bignell Watkins Hasser Architects, PC (BWH) is seeking project architects or managers with 0-5 years of professional experience to join our growing team. Employees work alongside project leadership as valued members of a project team with the opportunity to contribute to a diverse range of project types, including Retail Projects, Mixed-Use Facilities, Senior Living, Religious buildings, and Fire Stations.

Located in the vibrant City of Annapolis, we enjoy a high-energy, learning environment with opportunities for training and growth. Benefits include paid parking, group health insurance, 401k plan, paid leave and holidays.

About Bignell Watkins Hasser Architects, PC

BWH is a full-service architectural and interior design firm with a reputation for technically strong architecture and design work. Our firm's culture promotes an approachable work style, backed by more than forty years of experience and knowledge in a wide range of market sectors. Our portfolio includes retail, mixed use, office, public safety, senior living, multi-family residential, education, religious, and government clients. Since 1977, we have served a variety of clients from Maine to Florida with a focus on the mid-Atlantic region. We strive to exceed our clients' goals and expectations on every project. Our success can be measured by the number of long-lasting relationships we have with nationally recognized clients. Our philosophy is Design Forward, Client Centered.
