Responsibilities will include:

- Full participation in complete design process: programming and space planning, conceptual design, schematic design, design development, Interior finish specifications, construction documents, Furniture, Fixtures & Equipment (FF&E), specifications, and Construction Administration
- Develop space planning concepts, and generate program documents
- Create finish boards, and prepare interior design presentations
- Produce millwork / furniture drawings and details to meet specific program requirements while also representing an overall design concept
- Collaborate with the project team for the finish plans, specifications, and material selections required for construction
- Work with consultants, fabricators, and regulatory agencies to meet overall project objectives
- Participate in the construction administration of projects and review of submittals and finish samples
- Contribute to office activities, initiatives, and learning programs

Immense Growth Opportunity

Bignell Watkins Hasser Architects, PC (BWH) is seeking a dynamic design professional to add to our growing Interior Design Team. This is an excellent opportunity for someone who can quickly acclimate and is confident in making design contributions from day one.

Located in the vibrant City of Annapolis, we enjoy a high-energy, learning environment with opportunities for training and growth. We pride ourselves on being creative and technically strong designers. Benefits include paid parking, group health insurance, 401k plan, paid leave and holidays.

About Bignell Watkins Hasser Architects, PC

BWH is a full-service architectural and interior design firm with a reputation for technically strong architecture and design work. Our firm's culture promotes an approachable work style, backed by more than forty years of experience and knowledge in a wide range of market sectors. Our portfolio includes retail, mixed use, office, public safety, senior living, multi-family residential, education, religious, and government clients. Since 1977, we have served a variety of clients from Maine to Florida with a focus on the mid-Atlantic region. We strive to exceed our clients' goals and expectations on every project. Our success can be measured by the number of long-lasting relationships we have with nationally recognized clients. Our philosophy is Design Forward, Client Centered.
